MEET DATE: <u>August 19, 2021</u>

STAFF'S SUMMARY REPORT

ACTION REQUESTED:

To approve an Amendment to the Chaves County, New Mexico Zoning Ordinance No. 7 to be known as REVISION #11. An amendment to include Article XXIII "Cannabis Establishments"

REQUESTED BY: Planning and Zoning Department

ITEM SUMMARY:

Regulations for Cannabis Establishments

ADVERTISEMENT:

A Notice of Public Hearing was advertised on August 4, 2021; 15 days prior to this public hearing as required per NMSA 3-21-6.

PROTEST SUMMARY: N/A

SUMMARY BY: Louis Jaramillo, P & Z Director

AN AMENDMENT TO THE CHAVES COUNTY, NEW MEXICO ZONING ORDINANCE NO. 7 TO BE KNOWN AS <u>REVISION NO. 11</u>. TO INCLUDE ARTICLE XXIII CANNABIS ESTABLISHMENTS.

WHEREAS, the Cannabis Regulation Act has authorized a variety of uses related to the legalization of commercial cannabis activities, which legalization has the potential to greatly expand the legal cannabis market; and

WHEREAS, the smoking of cannabis products may create health risks due to exposure to secondhand smoke and vaporized cannabis concentrates; and

WHEREAS, the Cannabis Regulation Act permits local jurisdictions to consider regulations on place, time, density and manner for Cannabis Establishments; and

WHEREAS, the Chaves County Zoning Ordinance No. 7, Revision 10 does not address Cannabis Establishments; and

WHEREAS, Section 3-21-1 through 3-21-14 N.M.S.A., 1978 gives Chaves County zoning authority to regulate zoning districts, land uses, development standards, and structure design over territories within the unincorporated areas of Chaves County for the purpose of promoting health, safety, moral and the protection of the general welfare of the residents in Chaves County; and

WHEREAS, the Board of County Commissioners of Chaves County, New Mexico finds it necessary to protect the public health, safety, and welfare of the public by enacting provisions regulating Cannabis Establishments in Chaves County.

THEREFORE, BE IT ORDAINED BY THE CHAVES COUNTY BOARD OF COMMISSIONERS OF CHAVES COUNTY, NEW MEXICO:

ARTICLE XXIII CANNABIS ESTABLISHMENTS

Section 1 <u>APPLICABILITY</u>

This Article shall govern CANNABIS ESTABLISHMENTS, or parts thereof located within the boundaries of Chaves County, excluding lands within the limits of the Roswell-Chaves County Extraterritorial Zoning area and all incorporated municipalities within Chaves County.

Section 2 **PURPOSE AND INTENT**

The Board finds the need to reasonably regulate the location, operational hours and density of Cannabis Establishments within the unincorporated area of County in order to promote and protect the health, safety and welfare of all Chaves County citizens, to prevent criminal activities related to drug abuse, to prevent a negative impact on property values, to minimize any burden placed on law enforcement services, and to protect those who visit or otherwise live, work and stay within County. Also, these regulations are to preserve and protect the quality of life in residential neighborhoods, commerce in commercial and industrial districts, education in surrounding school and child care facilities, and use in park areas through effective land use planning and reasonable zoning regulations. State law, the zoning and other regulations in this article are enacted pursuant to the County's authority in Section 12 of the Cannabis Regulation Act, Laws 2021. These regulations shall not conflict with the Cannabis Regulation Act or the Dee Johnson Clean Indoor Air Act.

In addition, all parking areas and the building shall be illuminated from dusk until dawn with a lighting system which provides an average maintained horizontal illumination of one-foot candle of light on the parking surface and walkways. An on-premises exterior lighting plan shall be submitted to the Planning and Zoning Department with the site plan.
- **F.** Fencing. Secure fencing surrounding the establishment, measuring at least six feet in height and constructed of sturdy material, shall be required in order to protect the facility and public.

Section 9 <u>ADMINISTRATION AND ENFORCEMENT</u>

- **A.** Administration. All applications for permit approval under this article shall be made to the Planning and Zoning Department. It shall be the duty of the Planning and Zoning Director or his or her designee to process any application pursuant to this article, and to administer the provisions of this article. The Planning and Zoning Director shall prepare any forms necessary to administer the provisions of this article.
- **B.** Planning and Zoning Staff shall have reasonable time to review all applications, site plans, construction plans, and any other documents necessary to approve the cannabis establishment permit. If denial of an application for a new or annual renewal permit is deemed necessary by the Planning and Zoning Director, written notice of the decision shall be provided to the applicant.
- C. In the event a Cannabis Establishment is legally established in accordance with the requirements of this article and (1) an incompatible land use located within the required separation distance or (2) boundaries for residential zones in the county are modified, a pre-existing legally established Cannabis Establishments shall be considered conforming, but notwithstanding the provisions of Section 6.C no further Cannabis Establishments shall be located there. If the Cannabis Establishments ceases to be operational for a period exceeding sixty (60) days, then the use shall be considered non-conforming. Decisions as to the conformity of the Cannabis Establishment shall be rendered by the Planning and Zoning Director and may be appealed in accordance with the provisions contained in Article I, Section 5 (H) (9) of this ordinance.
- **D.** Enforcement. It shall be the duty of the Chaves County Sherriff's Department, Planning and Zoning Staff and County attorney to see that this article is enforced through the proper legal channels. The Chaves County Building Inspector shall issue no permits for the construction, alteration, or repair of any building or part thereof, unless such plans and intended use of such building conforms in all respects with the provisions of this article and the required application fees have been paid.

Section 10 PUBLIC NUISANCE

Penalties. Violations of this article are subject to the provisions of Article I, Sections 5 and 6. Notwithstanding any other provisions of this Ordinance, any violation of any of the provisions of this article is declared to be a public nuisance per se, which shall be abated by the Prosecuting Attorney. The penalty for violating this article may include a maximum of three hundred (300) dollars and/or ninety (90) days in jail. Each day a violation exists is a separate violation. Payment of any penalty imposed for a violation does not relieve a person from the duty to comply with this article.

Section 11 SEVERABILITY

If any section, subsection, paragraph, sentence, clause, or phrase in this article or any part thereof is for any reason held to be unconstitutional or invalid or ineffective by any court of competent jurisdiction, such decision shall not affect the validity or effectiveness of the remaining portions of this article or any part thereof. The Chaves County Board of Commissioner hereby declares that it would have passed each section, subsection, subdivision, paragraph, sentence, clause, or phrase thereof irrespective of the fact that any one or more subsections, paragraphs, sentences, clauses, or phrases be declared unconstitutional, or invalid, or ineffective.

Section 12 EMERGENCY CLAUSE AND EFFECTIVE DATE

Because of the urgent need for regulation pursuant to this Article, the Chaves County Board of County Commissioners declare that it is necessary for the public health, safety and wellness that this Article take effect immediately after passage when it is recorded as part of the Chaves County New Mexico Zoning Ordinance No. 7, Revision No.11 in the Chaves County Clerk's office. In the event a court of competent jurisdiction finds that the passage of this Article did not constitute an emergency, then the effective date of this Article shall be thirty (30) days after the recording the Chaves County New Mexico Zoning Ordinance No. 7, Revision 11 in the Chaves County Clerk's office.

From:

Kimberly Wildharber, Staff Manager, TSD

Subject:

Justification for Community DWI Program (CDWI) Project Agreement between the New Mexico Department of Transportation Traffic Safety

Division and Chaves County.

Pierrot Bendegue, TSD program manager Phone # 505-629-3762 will oversee this project. The agreement provides State Community DWI (CDWI) Funds to Chaves County as shown below.

AGENCY	CDWI PN	FY 22 CDWI \$	
Chaves County	02-CD-05-018	\$13,955.00	

Funding for the CDWI project comes from a \$75.00 fee imposed on convicted drunk drivers, as allowed by NMSA 1978, Section 31-12-7(B), and NMAC 18.20.6. Funds available for CDWI programs are dependent upon the 'fees' imposed and collected from each County. TSD distributes CDWI funds in proportion to the fees collected by the courts and law enforcement.

Counties submit applications detailing their agency's plan to expend funding to TSD on an annual basis upon notification of funding available. The Counties use the funding to conduct enforcement activities to include DWI checkpoint and saturation patrols, DWI prevention activities such as programs in the schools, public information, and education programs aimed at drivers, and DWI offender programs. The Counties are encouraged to sub-contract with local governments within their County to conduct allowable activities. Counties may allocate their funding to the New Mexico State Police who will conduct activities in the Counties they receive allocated funding from.

The term of all these agreements is from date of execution to June 30, 2022.

GRANT AGREEMENT

This grant agreement ("Agreement") is between the New Mexico Department of Transportation ("Department") and Chaves County ("Grantee"), collectively referred to as "the Parties." The Department and the Grantee agree as follows:

- 1. Award. The Department hereby awards the Grantee funding for the following Project: Community Driving While Impaired (CDWI), Project No. 02-CD-05-018, \$13,955.00, (Project).
- 2. Scope of Work. The Grantee shall perform the professional services stated in Exhibit A.
- 3. Payment. To be reimbursed for eligible expenses, the Grantee must submit timely, properly prepared reimbursement requests as provided in the Department's CDWI Manual. The Grantee acknowledges that the Department will not pay for any expenses incurred prior to both Parties signing the Agreement, after termination of the Agreement, or in excess of the amount of the award noted in Section 1. The Grantee must submit its final reimbursement request no later than thirty (30) days after termination of this Agreement.
- 4. Records and Audit. The Grantee shall strictly account for all receipts and disbursements related to this Agreement. The Grantee shall record costs incurred, services rendered and payment received, and shall maintain these financial records during the Agreement and for three (3) years from the date of submission of the final reimbursement request. On request, the Grantee shall provide the financial records to the Department and the state auditor, and shall allow the Department and the state auditor to inspect or audit these financial records during business hours at the Grantee's principal office during the Agreement and for three (3) years after termination. If the financial records provided by the Grantee are insufficient to support an audit by customary accounting practices, the Grantee shall reimburse the Department for any expense incurred related to the insufficient documentation within thirty (30) days of written notice from the Department. If an audit or inspection reveals that funds were used for expenses not directly related to the Project, or otherwise used inappropriately, or that payments were excessive or otherwise erroneous, the Grantee shall reimburse the Department for those funds or payments within thirty (30) days of written notice.
- 5. Officials Not to Benefit. The Parties intend that no member of the New Mexico legislature or the United States Congress, or any public official, public employee or tribal council member, in that person's individual capacity, will benefit from this Agreement.
- 6. Termination. The Department may terminate this Agreement for any reason, by giving

the Grantee thirty (30) days written notice. On receipt of a notice of termination, the Grantee shall suspend work unless otherwise directed by the Department in writing. The Grantee may only terminate this Agreement based on the Department's uncured, material breach of the Agreement, and by giving the Department thirty (30) days written notice. The Parties acknowledge that termination will not nullify obligations incurred prior to termination.

7. **Appropriations.** The Grantee acknowledges that:

- a. this Agreement is contingent upon sufficient appropriations and authorizations being made by the Congress of the United States or the New Mexico state legislature;
- b. if sufficient appropriations and authorizations are not made, this Agreement will terminate upon written notice by the Department to the Grantee; and
- c. the Department will not expend any funds until they are approved for expenditure, and the Department's determination as to whether approval has been granted will be final.
- 8. **Compliance with Law.** The Grantee, its employees, agents and contractors, shall comply with the following:
 - a. Title VI and Title VII of the Civil Rights Act of 1964, the Age Discrimination in Employment Act of 1967, the Americans with Disabilities Act of 1990, the ADA Amendments Act of 2008, the Environmental Justice Act of 1994, the Civil Rights Restoration Act of 1987, and 49 C.F.R. Section 21.
 - b. All federal and state laws, rules, and regulations, and executive orders of the Governor of the state of New Mexico pertaining to equal employment opportunity, including the Human Rights Act, NMSA 1978, Sections 28-1-1 through 28-1-15. In accordance with such, the Grantee states that no person, on the grounds of race, religion, national origin, sex, sexual orientation, gender identity, spousal affiliation, serious medical condition, age or disability, will be excluded from employment with or participation in, denied the benefits of, or otherwise subjected to, discrimination in any activity performed under this Agreement. If the Grantee it is found to be in violation of any of these requirements, the Grantee shall take prompt and appropriate steps to correct such violation.
 - c. State laws applicable to workers compensation benefits for the Grantee's employees, including the Workers' Compensation Act, NMSA 1978, Sections 52-1-1 through 52-1-70, and related regulations.
- 9. Notices. For a notice under this Agreement to be valid, it must be in writing; be delivered by hand, registered or certified mail return receipt requested and postage prepaid, fax or e-mail; and be addressed as follows:

to the Department at: New Mexico Dept. of Transportation Attn: Traffic Safety Division P.O. Box 1149 Santa Fe, NM 87504 to the Grantee at: Chaves County Attn: Elly Hollon #1 St. Mary's Place Roswell, NM 88203

- 10. **Severability**. The Parties intend that if any provision of this Agreement is held to be unenforceable, the rest of the Agreement will remain in effect as written.
- 11. Tort Claims. Neither party shall be responsible for liability incurred as a result of the other party's acts or omissions in connection with this Agreement. Any liability incurred in connection with the Agreement is subject to the immunities and limitations of the New Mexico Tort Claims Act, NMSA 1978, Sections 41-4-1, et seq., as amended. This paragraph is intended only to define the liabilities between the Parties and it is not intended to modify in any way, the Parties' liabilities as governed by common law or the New Mexico Tort Claims Act.
- 12. **Jurisdiction and Venue.** The Grantee acknowledges the jurisdiction of the courts of the state of New Mexico for any adversarial proceeding arising out of this Agreement, and that venue for any such proceeding will be in the First Judicial District Court for the county of Santa Fe, New Mexico.
- 13. **Project Responsibility.** The Grantee acknowledges that it bears sole responsibility for performing the services referred to in Section 2, and that the Department is not responsible for any services except as expressly stated in this Agreement.
- 14. **Term.** This Agreement takes effect upon signature of all Parties, with the date of execution being that of the latest of executed signatures. The Agreement terminates at midnight on June 30, 2022, unless terminated earlier as provided in Section 6 or Section 7, or modified by amendment as set forth in Section 16. If the Grantee does not deliver the signed Agreement to the Department within sixty (60) days of the Department's signature, the Agreement will be voidable by the Department.
- 15. Applicable Law. The laws of the state of New Mexico, without giving effect to its choice of law principles, govern all adversarial proceedings arising out of this Agreement.
- 16. Amendment. No amendment of this Agreement will be effective unless it is in writing and signed by the Parties.
- 17. **No Third-party Beneficiary**. This Agreement does not confer any rights or remedies on anyone other than the Department and the Grantee.
- 18. Merger. This Agreement constitutes the entire understanding between the Parties with respect to the subject matter of the Agreement and supersedes all other agreements, whether written or oral, between the Parties, provided that this Agreement does not supersede the Grantee's rights under any other grant agreement.

Each party is signing this agreement on the date stated opposite that party's signature. This Agreement will be fully executed once signed by all parties, with the date of execution being that of the latest of executed signatures.

Resolution R-21-042

A RESOLUTION

ADOPTING THE FY 2023-2027 INFRASTRUCTURE CAPITAL IMPROVEMENT PLAN (ICIP)

WHEREAS, the Board of Commissioners of Chaves County recognizes that the financing of public capital projects has become a major concern in New Mexico and Nationally; and

WHEREAS, in times of scarce resources, it is necessary to find new financing mechanisms and maximize the use of existing resources; and

WHEREAS, systematic capital improvements planning is an effective tool for communities to define their development needs, establish priorities and pursue concrete actions and strategies to achieve necessary project development; and

WHEREAS, this process contributes to local and regional efforts in project identification and selection in short and long range capital planning efforts.

NOW, THEREFORE, BE IT RESOLVED BY THE CHAVES COUNTY COMMISSION THAT:

- 1. The county has adopted the attached FY 2023-2027 Infrastructure Capital Improvement Plan, and
- 2. It is intended that the Plan be a working document and is the first of many steps toward improving rational, long-range capital planning and budgeting for New Mexico's infrastructure.
- 3. This Resolution supersedes Resolution Number R-20-031.

SUPPORT DOCUMENTS: Resolution R-21-043

SUMMARY BY: William B. Williams

TITLE: County Manager

RESOLUTION NO. R-21-043 A RESOLUTION SUPPORTING THE PAUSE ACT OF 2021

- **WHEREAS,** COVID-19, a respiratory disease that can result in serious illness or death, is a new strain of Coronavirus that had not been previously identified in humans and can spread from person to person via a variety of methods; and
- **WHEREAS**, each day new variants of the virus are reportedly spreading from both vaccinated and unvaccinated persons; and
- **WHEREAS**, local, state and federal agencies, including the Centers for Disease Control and Prevention (CDC), the Department of Homeland Security, the Department of Health and Human Services, the World Health Organization, and others have deemed this virus a pandemic and the cause of countless deaths, worldwide panic, and economic instability; and
- **WHEREAS**, government officials have mandated state and federal lockdowns, stay-at-home orders, curfews, travel restrictions, school closures, mandatory testing and vaccinations due to the virus and subsequent public health emergencies; and
- **WHEREAS**, there is an immigration crisis on the border of the United States and Mexico with thousands of immigrants from Central and South America, and other countries around the world entering the United States illegally; and
- **WHEREAS**, the Federal Government has been transporting and moving large numbers of undocumented immigrants into counties and communities without regard for the risk to those communities; and
- **WHEREAS**, the CDC's Title 42 has been an effective containment and mitigation strategy, resulting in the reduced introduction of COVID-19 into the United States from outside our borders, and to prematurely rescind this order would further endanger the lives of the American people and the immigrants themselves; and
- **WHEREAS**, each day there are increasing threats from Local, State and Federal Governments to reinstate restrictions that would adversely impact the ability of hardworking Americans to return to work and regain economic stability; and
- **WHEREAS**, it would be fundamentally unfair to keep American citizens on Lockdown while allowing unfettered entry at the border;
- NOW, THEREFORE, BE IT RESOLVED, that the Board of County Commissioners of Chaves County supports the Protecting Americans from Unnecessary Spread upon Entry (PAUSE) Act of 2021.

LET IT FURTHER BE RESOLVED, that the Board of Chaves County Commissioners agree that the PAUSE Act requires Title 42 to remain in effect until:

- 1. All state and federal lockdowns, stay-at-home orders, curfews, and other COVID-19 mandates end.
- 2. All local, state and federal public health emergencies for COVID-19 end.
- 3. The Centers for Disease Control and Prevention's (CDC's) traveler health risk level for Canada and Mexico is reduced to Level 1.

Done this 19th day of August, 2021.

President's Report July 2021

Business Recruitment and Attraction

- New Project Motor, is a new company that will manufacture aircraft related ground equipment and will create 15-20 jobs. Company is compiling business documents and will seek financing and state incentives.
- Admiral Beverage (Project Gold) has acquired land, obtained liquor licenses and have begun clearing the land at the corner of Brasher Road and US 285. They will be seeking Industrial Revenue Bonds with the City of Roswell.
- Meet with business developer for a new business venture to manufacture a new line of products in the county. The company is preparing documents for state Local Economic Development Act (LEDA) funding and will create 10-20 initial jobs.
- Meetings with several companies seeking information for community solar garden projects. We identified numerous properties for their consideration. Once the Public regulator Commission creates the rules (due April 2022), these projects may begin to evolve. Currently, each are seeking land options with connectivity to transmission points. We collaborated with Xcel Energy on how best to proceed with these possibilities.
- Met with a local developer seeking to create public access electrical vehicle charging area. Linked a local energy resource company with them for consideration.
- Met with an aviation company for possible facility needs and business expansion at the Roswell Air Center for aviation back shops and engine maintenance facilities.

Business Retention and Expansion

- Met with local company desiring to expand current retail operations. Identified possible location for their consideration. Firm is conducting their due diligence on the property.
- Existing business in the county is seeking low interest funding and possible grants for their business impacted by the recent flooding. We connected them with local financing institutions for assistance.
- Assisted a local company in identifying solutions for a new facility to save jobs.
 The company has been notified to vacate their existing warehouse and storage area (leased), and needed assistance in obtaining current building and fire codes.

Workforce Development

- With ENMUR, hosted the awards of three \$1,000 new scholarships with New Mexico Solar Group at a special ceremony at the campus.
- Meet with Mr. Brian Luck, Superintendent of the Roswell Independent School District and key staff to discuss a path forward with Career Technical Education for local students. The initial meeting led to others, where we hosted an Industry Day at ENMUR campus. The event saw about 90 educators, councilors, principals and 10 industry partners to coach them of the importance of this program to better equip students for life after high school as well as creating a skilled workforce in support of local industries. More to follow.
- Traveled to each Independent School District in Hagerman, Dexter, and Lake Arthur, meeting with each district's Superintendents to further their CTE programs.
- Apprenticeship programs with ENMU-R, NM Department of Workforce Solutions, and three local businesses, involving 15 students is still moving forward.
- Assisted in marketing the Goodwill Job Fair for local businesses. The EDC plans on hosting another Job Fair on September 14, 2021 with the City, at their Convention Center.

Advocacy

- Met with those involved in the Aviation STEM Expo event at the Air Center this fall (October 14, 2021) to assist in the planning and organization of the event for area students.
- Hosted the annual membership meeting of the EDC at ENMUR, where about 85 attended. Mr. David Querio, President of Ascent Aviation was the keynote speaker, followed with a tour of the university's Aviation Maintenance Technician Program.
- Provided economic development raining the City's Community Development Department personnel, to develop a stronger collaborative with the city in support of business development in the area.
- Attended the monthly Chaves County Commission, City of Roswell Council, and Roswell City Airport Advisory Commission meetings.

Project Manager's Report July 2021

• Workforce Development

- Scheduled and attended meetings with all the superintendents of all the schools in the community. Lake Arthur, Hagerman, Dexter, and RISD to discuss Career and Technical Education (CTE). We discussed their thoughts and ideas on CTE, we also offered them our partnership.
- Industry Expo- We partnered with RISD as well as ENMU-R to have an industry day expo. We were in charge of inviting industry partners to the event. We had a total of 10 industry partners there. The event consisted of RISD principals, councilors, CTE related teachers, and superintendent. We had a great turnout and had about 80 RISD staff attend. They went around and talked to all the industry partners who participated and learned about the career paths and opportunities that they offer. The purpose was to help inform them of the careers that are available and the needs of employers here in our community. We do plan on having another industry expo in the spring but with the students.
- We were able to help coordinate a small event where NM Solar Group awarded scholarships to 3 technical education students from ENMU-R. One of the students was an aviation maintenance technology student, another was welding and the other HVAC. The three students were each awarded a \$1,000 scholarship to be used towards their educational expenses.

• Business Retention & Expansion

- Assisted local agriculture business that reached out to us for assistance. The business
 has faced many hardships due to Covid as well as to the weather. They were seeking
 financial options to help them recover. We met with them and provided them
 financial option available for them. We also connected them to people who could
 assist them.
- Assisted local company looking for additional office space. I provided them potential locations and put them in contact with the people in charge of the properties.
- Goodwill hosted a job fair at the end of July to help businesses with their hiring needs.
 We were invited to the event. We stopped by and talked to all the businesses that participated and informed and invited them to the job fair we will be having on September 14th.

Marketing

- Prepared ad for Business Facilities Magazine. The ad will be in the July/August 'Rankings' issue. The 17th annual ranking report issue where NM Is ranked #7 in electricity from wind power and #10 in customize training. Business Facilities will be a reliable media source for Roswell Chaves County's target-market efforts to site-selectors. The magazine will be sent to 100,000 + site selectors via print, digital, online platforms.
- Helped organize and prepare for EDC Annual Meeting. I designed and created an annual report to share with our members. The annual report consisted of some of the many things we worked on this past year. The annual report summarized some of our achievements in the past year as well as our financials. For the event, I helped set everything up and decorate as well as tear down after the event.
- I took IEDC's online 2-day Real Estate Development and Reuse course. The course introduced the basics of real estate development and reuse. We discussed real-life case studies and worked through actual financial and regulatory problems. We also discussed the fundamentals of market and site analysis, financial feasibility, and what political considerations are required to move a development project from conception to realization. There was a total of 106 participants in the course, I had the opportunity to network and hear stories from the different participants.
- Assisted local community entrepreneurs with a potential startup business. I provided them
 with potential locations for their new business as well as funding resources. They have found
 their location and we are currently assisting with the resources to continue with their project.
 (Will be moved to projects list)
- Attended several other meetings & webinars:

Local Projects

- "Club", is a highly confidential project. Approximately 20 to 25 new jobs will be created during start-up with additional jobs projected once production increases. This project will have an impact of nearly \$1.5 million in investment. EDC is looking to lease Building 93 located at the Roswell Airport. The intent of this lease is to provide RCCEDC (lessee) with a one-year lease to allow the project sub-lessee tenant, sufficient time to perform necessary construction, engineering, and permitting to return the building to commercial food grade processing, cold storage, and laboratory standards. At the end of the lease term, full lease transfer from the RCCEDC to the company will occur, whereas the City of Roswell will continue to retain full ownership and rights as the lessor with the company. No update
- "Gold", an existing business seeking to expand its footprint with land purchase and building for a
 100,000 SF warehouse and distribution facility. Will bring back a few jobs lost to surrounding
 communities. Seeking possible incentives package. In coordination with Excel Energy, provided
 an economic package to support facility construction. Testified at Roswell City Council meeting
 May to attain liquor license for new property. Measure approved 8-2. Company is moving forward
 with relocation and have purchased their building. Update: They have begun the construction
 phase of the property.
- "Med", an expansion project of an existing agri-business in Chaves County and is in progress. Conducted incentives analysis and are scheduled for a tour of existing facility. Toured the facility and are in the process of assisting with the NM state incentive for Job Training Incentive Program. Company is expanding significantly in Chaves County and have broken ground on a new production facility. Attended a meeting to discuss JTIP program opportunities for them. Attended another meeting with them and JTIP program staff to introduce them and get them started on the application process. Update: Company has started their expansion. They are working on the business plan for the next phase, and they will begin working on their JTIP application soon.
- "RAC", is an expansion project Arizona-based Ascent Aviation Services is planning to expand with an operations hub in Roswell, New Mexico. The company is set to hire 130 employees in the first year, for a total of 360 over the next five years. Workers are expected to earn an average salary of \$54,000 a year. Update: Ascent Aviation is working with one of our members, Rubb Building Systems. Rubb will be building the hangar for Ascent, the contract executed between them both. Armstrong Engineering and Xcel Energy are also working with Ascent and Rubb on the project

- "Ready", is a MRO company from the United Kingdom and a joint company who performs aircraft remanufacturing. The company visited Roswell and is performing their due diligence to determine if this is a good fit for their growth here in the US. *Update:* Unfortunately, they decided not to proceed with the potential of relocating to Roswell at this time. The primary reason was the concern around labor.
- "Refuge", a medical project in preliminary discussions requiring considerable capital investment. We provided available incentives, land and building options and even located a potential investor, company is preparing necessary documentation and narrowing site locations. A site visit was conducted with their investor group and architecture company. Update: Company is still selecting their location and is working with a local financing option.
- "South", a water conservative agriculture project seeking for land in Chaves County. Assisted the company with finding a location for their project, provided potential location for the project. Update: Focus these last few months has been geared towards field operations, which look to be going great. What they learn these next 6 weeks will help color next steps, including expansion investments.
- "Steel", is a manufacturing, assembly, and distribution start-up company. They are securing
 financing and seeking land and building availability. Business Plans, financial information and
 other documents have been reviewed and company is eligible for state incentives. *Update:*Currently working on product samples, getting close to finishing the product sample.

PROs from NM Partnership

- "Andes", is an aerospace manufacturer from South America. The company estimates hiring approximately 120 workers within the first year. Looking for an existing building/hangar of 20,000-50,000 sq feet. They plan to be operating by early 2021. Awaiting results from our location proposal.
- "Arc", an outdoor recreation manufacturing operation. They are relocating their headquarters and manufacturing operations. Currently have 190 employees and will grow to 300 over 3-5 years. Average salary is \$40K plus benefits (health, 401K). Awaiting results from our proposal. No update.
- "Bumblebee", data center project that provides processing and other similar energy intensive technology applications. They are considering greenfield sites, brownfield sites, existing buildings, and/or a combination for the site(s) selected. Awaiting results from our proposal. No update.
- "Cali", new, a California Manufacturing and Distribution Company that is s looking for a new location to relocate and expand existing operations. They would hire 90+ employees and have a capital investment of \$500,000 -2,000,000. Awaiting results from our proposal. No update.

- "DAF", a company that is considering New Mexico for an anaerobic digestor renewable natural gas project. They are in the first phase of evaluating New Mexico and would like to understand the potential "feedstock" needed for their process. If sufficient resources can be identified, they will move on to the next phase, which includes building a \$30-50 million facility, with 15-30 permanent jobs and 50-100 construction jobs. Awaiting results from our proposal.
- "Envision", a company that is moving its data center/ cryptocurrency project from China to the
 U.S. Recent policy changes in China have prohibited block chain processors from operating in
 China. They are now looking to relocate to other countries, including the U.S.
 Project Envision which includes a US joint venture partner and has existing operations of about
 100MW that they would like to relocate to the U.S. in phases over the next year. Awaiting results
 from our proposal.
- "Falcon", is a paper-based manufacturing company. They are interested in Greenfield or Brownfield sites and plan to expand in the future. Workforce and logistics are critical deciding factors for this project. This new manufacturing facility is expected to require investments nearing \$400 million and create 200 permanent hourly and salaried jobs. Awaiting results from our site proposals.
- "Icarus", the NM Partnership is working with a consultant representing a large-scale aerospace & defense related design and manufacturing facility. This initial phase of the search is intended to find facilities that could meet the requirements. **Awaiting results from our site proposals.**
- "Independence", an Advanced Materials (Clean Energy Battery Technology) Manufacturing Project analyzing several U.S. States to identify and establish a new manufacturing, engineering, R&D, and management operation. This project represents a major investment in a new advanced manufacturing/R&D center of excellence employing scientific, engineering, and production professionals. Independence will construct a manufacturing facility capable of producing a proprietary anode material used in Li-ion batteries for consumer electronics, cellular phones, and electric vehicles. Awaiting results from our site proposals.
- "Jane" is an aircraft manufacturing project. They are considering existing structures and greenfield sites for a class A industrial shell building of 350,000 500,000 SF, expandable to 3,000,000 SF for potential future ventures. The project will create 906 primarily manufacturing jobs and the site will be used to develop and manufacture electric vertical takeoff and landing (eVTOL) aircraft for use in Urban Air Mobility. Awaiting results from our site proposals.

- "Moon" is an aerospace/satellite company that is searching for a location to site their headquarters and light manufacturing operations. One key deciding factor is proximity to aerospace equipment testing facilities, areas and their capabilities (within 2 hours of the location). They plan to invest \$40M in cap ex (with \$8M of that being towards equipment) and hire 60+ employees over 3-4 years. The company is on a quick timeline and plans to make their decision and sign a lease within 30-90 days.
- "Natural", a 500 plus acre site requirement to create 80-100 jobs. Project still semi-active but has slowed due to the pandemic. **No update.**
- "Petal", is a project with a well-established tele-health, bio-tech company that offers medicated assisted addiction recovery support via tele-medicine. They are looking to expand into four more states including New Mexico within the next few months. They are only looking for co-working/shared office space and understanding the local healthcare ecosystem. We sent information on office space for their consideration. Awaiting results from our proposal.
- "Quick Charge", new, manufacturer of charging systems for electrical vehicles seeking site for new manufacturing facility. It would create 100 to 200 new jobs. The company designs, manufactures and distributes innovative charging systems to support sustainable transport. Aim is to accelerate the change into a more sustainable way of transportation by providing a comprehensive and effective solution for the charging issues among electric vehicles. They are focused on helping the Electric Vehicle industry by attempting to make electric and plug in hybrid cars a more attractive alternative to traditional cars. 200 jobs. This project was provided by GSLI, Global Site Location Industries. GSLI is a full-service economic development consulting firm Awaiting results from our proposal.
- "Sink", a well-established Polish granite sink manufacturer. They are wanting to expand their products into the US/North American markets. In order to supply the US markets, they will need a US production location. Prior to selecting a production location, Project Sink would like to find a local partner to assist them in entering into the US market. They are interested in manufacturers and distributors who sell/make sinks, shower trays and/or other bathroom fixtures. They are open to working with small or large companies if there is capacity and willingness to expand operations as needed. At this time, Project Sink is only asking us to identify companies that are open to exploring this partnership opportunity. The production location decision will be strongly influenced by the potential partnership opportunity. I reached out to our members to see if anyone was interested or knew of someone who might be interested in this partnership. Awaiting results from our proposal.
- "Space Construction", an aerospace manufacturer project. Specifically requested only a few
 communities, Roswell being one of them. Their product will be picked up by aircraft and thus are
 looking for sites with access to a runway to establish their manufacturing facility. They are looking
 for an existing facility of 100K+ SF or BTS options on sites of 15-20 acres. Awaiting results from
 our proposal

- "Sun House", a hydroponic greenhouse to create about 100 jobs. They have not narrowed down any locations yet because they are focused on their two expansions in Canada first, which will take the rest of the year. And then in Jan. 2021 is when they will start looking at their US expansion plans again. They have a lot of seasonal migrant farm workers and the Covid testing/restrictions really took a lot of their focus. No update.
- "UHT", an ultra-high temperature pasteurized, shelf stable aseptic beverages manufacturing, processing and packaging facility. Looking for a 100K SF Existing Building or 100K SF BTS Building (at least 10 acres). Important factors in the site selection for this project are speed to market, distance to main highways and ease of access via multimodal methods, cost of potable water, power, gas, and other utilities, water and fluid disposal networks, local property taxes, public support for personnel training, availability of trained workforce, and linkages with academia and training institutions. Cap Ex: \$30 million (includes investment in additional production equipment and cost of operations over 5 years). Submissions were due February 10th and by the end of March a decision is anticipated.
